

Available PROTAC formation cartridges – via reductive amination - CRBN

P001 - Reagent-cartridge PROTAC - CRBN-PEG1 (0.1 mmol)
P001L - Reagent-cartridge PROTAC - CRBN-PEG1 (0.2 mmol)

P002 - Reagent-cartridge PROTAC - CRBN-PEG2 (0.1 mmol)
P002L - Reagent-cartridge PROTAC - CRBN-PEG2 (0.2 mmol)

P003 - Reagent-cartridge PROTAC - CRBN-PEG3 (0.1 mmol)
P003L - Reagent-cartridge PROTAC - CRBN-PEG3 (0.2 mmol)

P004 - Reagent-cartridge PROTAC - CRBN-PEG4 (0.1 mmol)
P004L - Reagent-cartridge PROTAC - CRBN-PEG4 (0.2 mmol)

P005 - Reagent-cartridge PROTAC - CRBN-PEG5 (0.1 mmol)
P005L - Reagent-cartridge PROTAC - CRBN-PEG5 (0.2 mmol)

Available PROTAC formation cartridges – via reductive amination - VHL

- Partial PROTAC reagent
- SCX
- Solid supported triethylamine
- Silica supported cyano borohydride

Scale: 0.1 & 0.2 mmol

Available PROTAC formation cartridges – via amide formation & amines – CRBN/VHL

Amine

P072 - Reagent-cartridge PROTAC - CRBN-COOH-PEG2 (0.1 mmol)

P073 - Reagent-cartridge PROTAC - CRBN-COOH-PEG3 (0.1 mmol)

P082 - Reagent-cartridge PROTAC - VHL-COOH-PEG2 (0.1 mmol)

P083 - Reagent-cartridge PROTAC - VHL-COOH-PEG3 (0.1 mmol)

Available PROTAC formation cartridges – via amide formation & acids – CRBN/VHL

Carboxylic acid

Disposable reagent cartridge

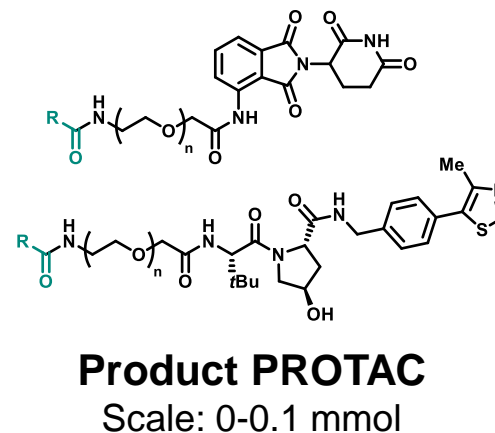

Product PROTAC

Scale: 0-0.1 mmol

To be released soon. Ask us for more information

Available PROTAC formation cartridges – via reductive amination – alkyl linkers – CRBN/VHL

- Partial PROTAC reagent
- SCX
- Solid supported triethylamine
- Silica supported cyano borohydride

Scale: 0.1 mmol

Reagent-cartridge PROTAC - CRBN-COOH-C3 (0.1 mmol)

Reagent-cartridge PROTAC - CRBN-COOH-C5 (0.1 mmol)

Reagent-cartridge PROTAC - VHL-COOH-C3 (0.1 mmol)

Reagent-cartridge PROTAC - VHL-COOH-C5 (0.1 mmol)

To be released soon. Ask us for more information

SOON Available PROTAC formation cartridges – Other E3 Ligase Binders

We are working towards extending the PROTAC range to other available E3 Ligase binders. Planned structures will be released soon.

Let us know if you are looking for a different PROTAC!
